

AHRMA is...

MOTOCROSS

We offer **Vintage** classes for motorcycles built before 1975 and a **Post-Vintage** division for machines from early in the era of long-travel suspension (1975 to the early '80s). Not only are the motorcycles from "back then," but so are the types of tracks we race on.

ROADRACING

AHRMA has a wide range of **Vintage** classes for everything from handshift Indians to those beloved Britbikes of the early '70s. Three **Vintage Superbike** classes cover the hotrod production racers from the early AMA Superbike era. We also offer **Sound of Singles**, **Battle of Twins** and **Sound of Thunder** for newer "alternative" racers.

DIRT TRACK

Nothing is more exciting than flat-track racing, and AHRMA offers classes for machines up to the early 1980s, not to mention those brakeless beasts from dirt track's glorious past.

OBSERVED TRIALS

Besides catering to a variety of great machines ranging from rigid-frame BSAs to the last twin-shock Yamaha TYs, the wonderful thing about an AHRMA trial is that *anybody* can do it!

CROSS COUNTRY

There's no lack of saddle time here! AHRMA cross country events include GPs, hare scrambles and ISDT-type competition for Vintage and Post-Vintage class bikes.

VINTAGE VIEWS

Our monthly magazine is full of event information, classified ads and news of the vintage-racing world.
