Note:

- Race order is subject to change.
- “//” between classes on the schedule indicates a wave break at the start.
- Check the grids each day.
- Always check the results – you have only ½ hour after results are posted to file a protest.
- Saturday’s awards ceremony will begin ½ hour after racing is completed.
- You may pick up your awards on Sunday anytime after your class results are final. Awards will not be shipped!
- Read the rulebook and understand the rules for your class(es) Tech is there for your safety, not to determine the eligibility of your bike.
- Please watch your speed in the pits.
- If you’re walking or riding anything other than a race bike, please yield to racebikes.
- Have fun and be safe!
- If time allows, there will be one session to inspect the Turn One racing line. Riders will leave from grid, through Turn One, finish the lap and enter the hot pit from NASCAR T4

AHRMA Works Performance Historic Cup Roadrace Series *Daytona International Speedway* Practice Groups

Note:

- Tech will give you the correct practice group sticker for your class. Traffic at this race is **very heavy**. If you are not comfortable with the speed of your assigned practice group, ask tech to assign you to a slower group. **Do not** go out with the wrong sticker – you will be sent back to tech.
- You must have an AHRMA sticker on both sides of your machine to pass tech.
- If you crash or have a mechanical, your tech sticker will be pulled and you must re-tech.
- Read the rulebook and understand the rules for your class(es) Tech is there for your safety, not to determine the eligibility of your bike.
- Please watch your speed in the pits.
- If you're walking or riding anything other than a race bike, please yield to racebikes.
- Have fun and be safe!
