## AHRMA Barber Roadrace Racer Requirements

Anyone wishing to participate in the AHRMA roadracing events at the 2015 Barber Vintage Festival must meet all of the following requirements:

1. You must be an AHRMA member – no exceptions. There are no weekend memberships.

Please refer to the 2015 AHRMA Handbook for more information on the qualification necessary to become an AHRMA member.

2. To qualify to participate in the AHRMA roadrace at Barber, you must successfully compete in at least one roadrace with a recognized organization during 2015, prior to Barber; additionally, the Barber Vintage Festival may not be your first-ever roadrace with AHRMA.

The following are the only exceptions to this requirement:

a) International racers must submit proof of participation in at least one 2015 roadrace event in the country of their license.

b) 2014 National or Regional AHRMA Roadrace Champions are exempted from the one-race-in-2015 requirement.

c) In an extremely limited number of instances, certain well-known professional national or international championship riders with a high-level of public recognition (for instance, Kevin Schwantz in 2011) will be allowed to compete without meeting the above-noted requirements. The final decision in these exemptions will rest with the AHRMA Executive Committee. Riders wishing to request an exemption must submit a request, along with documentation supporting the request, to the AHRMA Executive Director no later than 14 days prior to the Barber pre-entry deadline.

3. All race participants at Barber must participate in either the Thursday or Friday AHRMA practice day. As in 2012-'14, there will be no raceday practice either Saturday or Sunday.

4. There will be no AHRMA Fast & Safe Roadracing School at Barber.

5. AHRMA will accept a maximum of 600 entries per day.
