## *Candidate Biographies*

The following biographies were available to voters on the ballot.

## Eastern Region - Jeff Hargis

Hi, I'm Jeff Hargis. I live in Battle Creek, Michigan. I retired from Post Cereals in 2022. I'm running for trustee in the Eastern region.

I've always had a love of motorcycles, from dirt to road and even ice bikes. I built a race bike and joined AHRMA in 2008. I started racing in the Sportsman 750 class. The people I met at the first race is why myself and my wife fell in love with racing and the AHRMA family that welcomed us in with open arms.

Besides racing I started volunteering wherever I was needed. Which opened my eyes to what it takes to make a race event successful. Since I started volunteering more, I took an interest in organization itself. Which has led me to why I want to become a trustee. I believe I have a good sense of what it takes to make AHRMA successful.

I've brought in volunteers. I've also mentored and help bring in new members including my son Nick. Even though I road race a vintage bike I recognize "Vintage" is a continually moving time period and we must move with it. I also understand the need for modern classes, and the need to bring in younger members to grow OUR organization.

I believe I can help the Board of Trustees and AHRMA to the next level of Fun, SAFETY, and

## Eastern Region - Alex McLean

To all AHRMA members,

I am honored to be considered as a candidate for AHRMA Trustee. AHRMA has been an important part of my life. I have been a long-time member and avid racer and I now have the interest and time to devote to the work required to be an AHRMA Trustee - to give something back. Not only have I been an active racer for over 25 years but more recently volunteered as an instructor.

My commitment to all AHRMA members should I be elected is that the priorities of all members will be fully and fairly heard and fairly and fully represented. I will work to help stabilize and improve AHRMA's financial health and work to broaden and extend the appreciation of AHRMA's mission in the racing community, both through enhanced communication and increased participation to support our club - both spectator and rider for all forms of racing - and all of our AHRMA sponsors.

I appreciate your consideration for me as an AHRMA trustee. Again, I will commit to fairly represent and work for the interests of ALL AHRMA members equally.

I am available to answer any questions or listen to suggestions you may have at 832-992-1065 or alex127542@gmail.com.

## Eastern Region - Bob Robbins

Dear fellow AHRMA members,

My early two wheeled life began on a 60s minibike and led to years of Motocross racing until making a living got in the way. Around 1972 I won an informal race for money on my Suzuki 90 on a makeshift track when some bikers threw cash in a pot and it was the first and last time I saw prize money. Many years later once I had some resources to try a few track days on a road bike I discovered road racing and 30 plus years on am still at it.

Over the years I shifted nearly all of my racing to AHRMA where I feel more at home. I jokingly call it the "Last Chance Ranch" for some of us aging riders.

AHRMA has undoubtedly experienced some challenges of late with many outside factors of rising costs, personnel and financial problems putting 2022 in the spotlight as a serious need for change moving forward. I do believe the new dawn is a bright one with Dan May at the helm and having the ability to get others to step up and to regain a level of trust and confidence among members knowing their money is being used wisely. The process of digging out can only be successful through sensible discussions and making good decisions to keep pace with the challenges we face. We are a growing organization and must retain a legacy to keep the spirit of the AHRMA family and what it evolved from and stands for.

If elected I will use the practice of having two ears and only one mouth and do my best to work alongside the other trustees in all disciplines to focus on the balance between what works for the members and what it takes to sustain that in today's environment.

As there is a huge difference in the racing disciplines and resources members have at their disposal, it is our responsibility to offer each member an opportunity to compete and enjoy the experience whether a weekend or a season.

Points to focus on across all disciplines in my opinion

- Overall organization safety
- Member input and suggestions
- Open communication with transparency

It's inspiring to see more younger riders coming along in the past few years as it's the needed evolutionary element for AHRMA.

The positive energy in the AHRMA family atmosphere needs to continue through social media to help recover and to prove we are as strong as ever.

I believe in paying it forward and I try to live by a saying I once saw at a customer "You can't build a reputation on what you are going to do", so all I ask is the consideration of your vote so I can use my experience to help keep AHRMA moving forward. As we all know there is a whole lot that goes into making a successful season of events through dedicated people working as a team.

## Eastern Region - Beno Rodi

My name is Beno Rodi and my passion, rather my life, is racing vintage motorcycles. I started racing in 1961. By 1967 I Road raced at the Daytona Speedway, ran the Alligator Enduro, and short tracked at the Memorial Stadium. And ever since I helped write the AHRMA rulebook back in the 1980s, AHRMA has been at the center of everything I do.

I've been an AHRMA trustee numerous times over the years and would welcome the opportunity to serve again. With the other trustees, officers, and staff, I weathered the difficult years of the organizations bankruptcy and enjoyed the ever-improving era we've moved into. I hope that my experience and knowledge will help the organization overcome its current growing pains, alleviate financial pressures and continue on a positive course.

Let me say that I am not a politician, but unfortunately, I feel that the organization has become overly political to the detriment of the members. Personally, my contributions to AHRMA have been negatively impacted by changes in leadership and mixed agendas. After racing my Royal Enfield in dirt track for 34 years (never missing a race), the bike was protested. I won an appeal, but it was at the expense of my reputation. Additionally, after providing dirt track tech as a volunteer (never paid for services or expenses) for decades, I was told by trustee Arthur Kowitz two years ago that my services were no longer needed. Today there is no dirt track tech - no helmet check, no bike check, etc.. This is a dangerous situation for the riders and a significant liability for AHRMA. I have also known at least a dozen long time volunteers fired without any explanation. For an organization with financial troubles this makes no sense.

If I am voted back as a trustee, my main focus will be to help right the ship financially, keep safety and liabilities under control, and make sure bikes and riders follow the rules. I want to restore AHRMA's reputation and ensure trust, communication, and fairness in its dealings. While we can't always achieve everything folks ask for, we do our best to give a fair and impartial hearing to requests and to help the organization deliver on the things we commit to. My promise to you is that I will do my best to represent the East Coast membership and our collective needs.

The bottom line is that I bring not only decades of vintage racing experience but extensive knowledge about AHRMA's organization, finances, as well as the spirit of evolution necessary to sustain and grow vintage racing. Most importantly, I want to see the legacy of AHRMA continue, grow, and be carried forward by future generations of vintage enthusiasts. I ask for your vote this year with the hope that, if elected, my contributions will help deliver great 2024 and beyond racing seasons and a lasting legacy for all AHRMA members.

## Western Region - Jason Colón

I've been passionate about vintage racing with AHRMA for over 25 years. In that time I've competed in AHRMA road racing, trials, cross country, vintage, post vintage, and next-gen motocross. In my role as Rocky Mountain Offroad Region Coordinator for the past 5 seasons, and Great Lakes Region Event Coordinator prior, I have had the privilege of working closely with our promoters, sponsors, and members in developing a race series

that includes all motocross disciplines, cross country, and regional support classes.

Having persevered through tough times in the regions I have led I've come to understand that as a race sanctioning body AHRMA generates value for its members through greater access and higher quality events and we create value for our promoters by increased membership participation. There are large areas of the country with no AHRMA offroad races, yet nearly three-quarters of current AHRMA members compete in offroad disciplines. I believe if AHRMA were to have regional events in underserved geographic areas membership would increase further. Without events that are easily accessible, with lower entry barriers for time and cost than the National series, there is less incentive to become an AHRMA competition member. Regional racing is foundational to a healthy future. A stronger regional presence and the increased membership it would generate give AHRMA more leverage to make the National Motocross, Cross Country, and Trials business models more attractive to higher-quality tracks and promoters.

By focusing on details, the flexibility I encouraged in offroad regional operations allowed member feedback and sound business practices to drive what individual support classes Regions offer in their programs, making them more successful. Networking with other offroad region coordinators has allowed me to better understand differing regional perspectives and membership interests across the organization. Giving me a broader perspective on possible opportunities for AHRMA, its challenges, successes, and potential areas of concern. Over the years I've learned the value of engaging those with differing viewpoints and building consensus in a leadership role. But listening alone is only the first step, it takes vision, focus, and follow-through to do the best job possible.

Successful organizations evolve, I believe as a Trustee it is important to listen to and respect what each member and every discipline offers. Regardless of the era that you grew up in, what we share in AHRMA is a love of motorcycles and the desire to ride, race, and preserve them. Whether on the track, in the pit, or in the garage the connections we share with our AHRMA family are stronger than our differences.

My fellow members, what is great about AHRMA is still far stronger than its shortcomings. Yes, there is room for improvement in the organization. It takes dedicated leadership to keep an organization like AHRMA together. If elected to AHRMA's Board of Trustees I will work hard to represent all AHRMA members and disciplines for a stronger future.

## Western Region - Sharon Dray

My name is Sharon Dray and I have been involved with Motorcycle Roadracing (Modern and Vintage with a brief exposure to Off Road Racing) for over 40 years. I have built a reputation on Openness, Fairness, Progressive thinking and most of all Rider Safety. I believe these components will be crucial in moving AHRMA forward in an ever fluid environment.

I am excited to say I am running for Western Trustee for 2024. I am currently living in the Dallas Texas area and enjoy my time with the Racing community. I have been involved with AHRMA Motorcycle Roadracing since 2012 when I came on board to assist with the Orbits Timing System. Prior to that I was privileged to assist Cindy Cowell and AHRMA as it continued to grow. I have always expressed concerns over Rider safety and keeping the lines of communication open, with the Members, Sponsors and Volunteers.

I have been actively involved in Motorcycle Roadracing since the late 80's. I worked with modern bikes at WERA Motorcycle Racing for over 30 years. After a brief break to welcome my first Grandson into the world, I was approached by Cindy Cowell to assist AHRMA with Timing and Scoring. This has escalated into more and more involvement with MSR registration setup and event Gridding for Roadracing and also an MSR assist for the Off Road Disciplines.

I was asked in 2016 to work with the local Police Department located on the Grayson College Campus where I am currently the Executive Administrative Assistant to the Chief of Police. I have an Associates Degree in Applied Science, with a Computer Aid Draft & Design major. I have Administrative as well as hands on experience in Motorcycle Roadracing, beginning with Grass Roots, Vintage, Pro and Semi Pro events. I have a diverse background and personality. Most people who know me know my goal is to learn 1 new thing every day.

If I am elected as a Western Trustee, I will work hard to respect the trust placed in me and I will continue to value the Members as AHRMA moves forward.

Thank you for your consideration, Keep the rubber side down.

### Western Region - Luke Sayer

Hi! My name is Luke Sayer and I am currently a member of the AHRMA Board of Trustees. When I ran for the board 3 years ago, my goal was to ensure the sustainability of AHRMA for the future. Unfortunately, AHRMA is now playing catch up financially. My goal is to help AHRMA get back on its feet financially and bring back the fun of AHRMA racing with friends and family. I have volunteered many hours at all discipline events both setting up, running, and tear down. Being retired allows me to devote a lot of time and effort to help AHRMA succeed.

We are poised for success with our new Executive Director, Daniel May and Special Committee Chairman, Ed Roman. I am currently the Secretary of our association and on the Executive Committee that meets weekly to discuss AHRMA business, provide guidance to our Executive Director and get issues in front of the whole Board of Trustees as needed.

With my off-road, dirt track and road racing background along with a common sense approach to details, I can continue to help AHRMA thrive in the future. I also bring an ability of being able to work with people of different opinions and reach a common consensus.

We in AHRMA have a unique opportunity to compete on really cool motorcycles with really neat people. We need to continue to provide opportunities for us to grow AHRMA. This task is not easy in today's crazy economy, fuel prices and competition for our free time.

I would appreciate another opportunity for 3 more years serving on the Board of Trustees. Thank you for voting.

## Western Region - Wesley Poole

The challenge to AHRMA members who may be new to the governing/operations side, is keeping their organization vital and growing. We have a responsibility to those who built AHRMA over the last decades, to not simply be racers, but to learn more about, and participate in governing.

My name is Wes Poole and I'm 37 years old, recently relocated from California to Clark, Colorado. When my parents joined AHRMA, they took the whole family to races starting in 1989, when I was 4 years old. I rode trials at 14 years of age and Vintage MX at 16, and our participation has been continuous from the beginning. In the mid 90's to the mid -2000's we traveled extensively to AHRMA events across the country, and as I became older and more aware I saw there were differences in how the regions operated. I began to realize that various regions had their particular style of governing due to the unique circumstances they faced.

I've raced and volunteered in Vintage MX, Cross Country and Trials, and though there was little opportunity in the west, I jumped at the opportunity to ride the two or three AHRMA dirt track/TT events in the area. I believe I have a good understanding of the culture and needs of these disciplines. As a trustee I look forward to being introduced to the entirely different world of AHRMA road racing, and I know there is a lot to learn.

It is my opinion that the AHRMA Mission Statements are some of AHRMA's most important guiding documents, and I will refer to them in making many decisions.

My 7 year old son just rode his first AHRMA trial, and my two daughters and wife always enjoy working and catching up with friends on AHRMA weekend. I am even more emotionally involved and committed to the wellbeing and success of AHRMA, so that my kids can be part of the family that is AHRMA, just as I have been.

I'm pleased to see the technological advances that AHRMA has instituted over the last several years. I understand these needed upgrades, as I made similar changes in 2018 when I took over the construction company my parents started in 1976.

I've experienced the best of AHRMA as well as some very unsettling times. In the more recent years I've observed a drive to push AHRMA into another level. This required spending money outside anything AHRMA is capable of generating and moving away from the volunteer-based organization I had always known, which was clearly destructive in more ways than just fiscally. As a small business owner, I'm aware of fiscal responsibility on a daily basis, and that it must be respected and never underestimated.

As 2023 comes to a close, AHRMA's future looks encouraging. I hope to get your vote so that I can be involved in the coming turn-around.

### *Rejected Paper Ballots*

*There were no rejected paper ballots for this election.*

AssociationVoting.com provides online voting, including proxy and hybrid elections, for member associations, trade groups, private corporations, and anybody in need of voting. Our online election software combines modern and mobile functionality with a history of online voting and surveying going back over two decades.

This report in your hands (or on your screen) was generated at the request of a voting manager or administrator for the election identified on the front page.

If you have any questions - please don't hesitate to contact us. You can reach us by email at [support@associationvoting.com](mailto:support@associationvoting.com).

Please let us know how we can help you with your future voting needs. If you have any need for an association or event mobile app, don't forget our sister company, Results at Hand Software, at [resultsathand.com](http://resultsathand.com).

Report Revision 2022-01.
