

The AHRMA Academy of Roadracing (AAR) was developed by experienced racers to pass-on valuable techniques of roadracing modern and vintage motorcycles on challenging tracks across the United States.

New to Road Racing or Need a Refresher? We offer AHRMA's Roadracing Academy for motorcycles and Sidecar Pilots beginning at 7:00 AM on Friday at select events. Additionally, AAR offers a SIDECAR Passenger only option. If you're a SIDECAR Passenger you will attend only the classroom portion of the school which begins both days at 7:00 AM
